VACATION

Activity Book

Dear Kids.

We are so excited that you are getting a chance to travel and see the world! There are so many lessons to be learned from traveling, and we hope that you will learn to love taking adventures and going to new places!

Sometimes it takes a while to get to the place you are going, so that is why we put together this activity book. There may be times you have to wait in the airport or sit quietly on a plane or in a car—and we hope this book will help make that waiting time more fun. (We promise all the waiting will be worth it!!!)

We'd love it if you'd share your booklet with us when you return, as we'd love to hear about your vacation from your point of view! Sometimes us grown ups forget the best parts, and we need you to help us remember!

Have the best time ever!

Love,

Your Travel Friends at Enchanting Excursions

PS... Be sure to give your mom, dad, grandma, aunt, friend... whoever is taking you on this awesome vacation a big hug!!!
